I understand that massage/bodywork is for relaxation and muscle tension relief. If I experience any pain or discomfort during this or any session, I will immediately inform the practitioner so the strokes or pressure can be adjusted. I further understand that massage or bodywork should not be construed as a substitute from medical examination, diagnosis, or treatment and that I should see a physician, chiropractor, or other qualified medical specialist for any mental or physical ailment of which I am aware. I understand that massage/bodywork practitioners are not qualified to perform spinal or skeletal adjustments, diagnose, prescribe, or treat any physical or mental illness, and that nothing said in the course of the session given should be construed as such. Because massage/body work should not be performed under certain medical conditions, I affirm that I have stated all my known medical conditions, and answered all the questions honestly. I agree to keep the practitioner updated as to any changes in my medical profile and understand that there shall be no liability on the practitioner's part should I fail to do so. ***I also understand that sexual harassment will end in termination of my massage.***
